## **George H.W. Bush: Faith, Presidency, and Public Theology** Kjell O. Lejon

This book is the first to explore the religious dimension of President George H. W. Bush. Also, the author re-conceptualizes the common use of civil religion in order to understand more fully the religious dimension of Bush's presidency, and thus argues for the need to highlight the religious rhetoric of President George H.W. Bush as a *public theology*, or more specifically, a *presidential public theology*.
