Carrying on into her adult hood Lakeisha began to feel as though her life was spinning completely out of control. Coming to the conclusion of not wanting to live anymore Lakeisha then tried to take her own life! Not succeeding with the suicide attempt Lakeisha began to carry around a lot of hurt and pain on her shoulders, then taking it out on others. Lakeisha eventually landed herself in prison for not being able to control her anger, which was caused by someone other than the ones she was out hurting! After being released from prison Lakeisha then decided that the life she was living was not the one she wanted to live for the rest of her life. Doing a 360' with her life allowed her to find a man who began to help her raise her three kids at that time. After being together for about two years they then got married and had two more kids together. Lakeisha and her family live in Canton, Ohio where she was born and raised.
