PowerScore's *LSAT Reading Comprehension Bible* is the definitive guide to the Reading Comprehension section of the Law School Admissions Test (LSAT). This book features a powerful and comprehensive system for decoding each passage and question, and uses extensive drills and official LSAT passages to teach critical concepts and techniques. The PowerScore *Reading Comprehension Bible* will improve your LSAT reading comprehension skills by teaching you exactly what to look for in LSAT passages.

The book explains the fundamental principles of the Reading Comprehension section by including:

- Substantial discussions of how to deconstruct the passages, how to identify and attack the questions, and how to successfully avoid traps set by the test makers.
- A variety of drills and exercises that supplement the discussion of techniques and question analysis. The drills help strengthen specific skills that are critical for LSAT excellence.
- A complete quick-reference answer key to all of the problems. This includes chapter-by-chapter answer keys, and a unique reverse look-up feature that lists all of the included passages, sorted by the LSAT administration date and PrepTest number.
- The use of official Reading Comprehension passages is essential to your success on the LSAT, and no LSAT passage in this book has been modified from its original form. The concepts presented in this publication are representative of the techniques and approaches covered in PowerScore's live LSAT preparation courses and have consistently proven effective for thousands of students.

The *Reading Comprehension Bible* can be supplemented by The *LSAT Reading Comprehension: Passage Type Training* publication.
