The author maintains that the central message of each book of the Bible must be familiar and thoroughly understood before a teacher or preacher can effectively interpret its message. So, with Morgan's masterly expository touch, he provides keynotes for all 66 books of Scripture. His gift for analyzing and organizing the truth of the Bible is superb. In ready-reference form, this HANDBOOK supplies background material, easy-to-follow commentary, and contemporary applications on each book of the Bible. In addition, concise outlines titled, "The Permanent Values" appear at the beginning of each chapter. Readers can pinpoint precisely the lessons to be learned from each book. Parallel to the beginning outline is a section, "The Living Message," which often highlights one or two outstanding verses in the book.
