## **Lost In The Shuffle: The Co-Dependent Reality** Robert Subby

"Co-dependency" is the denial or repression of the real self. It is based on the wrong belief that love, acceptance, security, success, closeness and salvation are *all* dependent upon one's ability to do "the right thing." In the process, the co-dependent denies who he really is. Once addicted, the codependent becomes blind to the reality of his own behavior and to his own self-worth.

A witty and well-told story, *Lost In The Shuffle* is written for those who seek to find themselves and break free of their troubled past and their present addiction to the rules the do-dependent lives by. Robert Subby presents new insights in an earthy, honest manner and shares the process of recovery with all who have been lost in the shuffle.
