Making a World of Difference One Quilt at a Time: Inspiring Stories about Quilters and How They Have Touched Lives Ruth McHaney Danner

Quilts exemplify precious things: comfort through the warmth they provide; community, since they are often created by groups; and love, given the time and effort they require. With this in mind, legions of kindhearted quilters all over the world choose to donate their labors of love to people in need. Ruth McHaney Danner has gathered fifty-four heartwarming stories of quilters who make their compassion tangible one stitch, square, and quilt at a time. Each story introduces a quilter or group of quilters, ranging from a blind woman in Texas to preschoolers in Australia. Their gifts have the power to make recipients feel cherished and supported, even though they may never meet face-to-face. These wonderfully inspiring stories show that every quilter who has ever wondered, “But what can I do?” *can* do something that will help someone.
