**Ruth Little:**

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Ebola, Culture and Politics: The Anthropology of an Emerging Disease: 1st (First) Edition can make you sense more interested to read.

**Merle Poteet:**
