La corte de los ilusos (Spanish Edition)

Rosa Beltrán

La corte de los ilusos (Spanish Edition) Rosa Beltrán

En su primera novela, Rosa Beltrán reinventa la vida y la muerte del único emperador mexicano, Don Agustín de Iturbide: su fastuosa corte, sus curiosos parientes, amantes, fieles enemigos.

20 aniversario. Edición conmemorativa.

"Nadie levantó el brazo para calmar a la multitud que lo aclamaba y nadie presentó, desde el balcón, a la familia imperial. Iturbide, que a partir de su renuncia había tenido la sospecha de no saber quién era, supo, por fin, que era nadie."

En *La corte de los ilusos* todo esto está visto a través de diferentes personajes en una suerte de rehilete: la costurera parisina, Madame Henriette, la princesa Nicolasa, hermana del emperador, ninfómana y cleptómana, la Güera Rodríguez y el obispo Antonio Joaquín Pérez que escucha las confesiones de Ana María, la mujer del Dragón.

Otros autores han opinado:

"Lejos de ser una simple aproximación histórica, *La corte de los ilusos* es una obra literaria cuyo valor se enriquece por medio de su deleitosa recuperación de refranes, dichos populares y evocaciones de la época. Al crear una tragicomedia de la historia mexicana Rosa Beltrán va más allá de la novela histórica. Rescata con buena prosa y el tono exacto toda una época y la transforma en literatura gracias a una imaginación y un justo equilibrio entre los datos recogidos en archivos y bibliotecas y su joven y fecunda capacidad creadora."
- Elena Poniatowska

"Un retrato esperpéntico de lo que era aquella corte de opereta, un doble México con muchos reflejos de la realidad actual, escrito con un tono de ironía, de ternura y con bastante humor." - Arturo Pérez Reverte

"Una novela excelentemente escrita." - Alí Chumacero
