Stanley Kubrick, Director: A Visual Analysis

Ulrich Ruchti, Sybil Taylor, Alexander Walker

Stanley Kubrick, Director: A Visual Analysis Ulrich Ruchti, Sybil Taylor, Alexander Walker

Alexander Walker's *Stanley Kubrick, Director* is the only book ever written with Kubrick's cooperation.

This new edition, revised and expanded to discuss all of Kubrick's films—including *Eyes Wide Shut*?again received the approval of the reclusive director, who before his death allowed the use of illustrations taken directly from his films' frames. The result is a frame-by-frame examination of the inimitable style that infuses every Kubrick movie, from the pitch-perfect hilarity of *Lolita* to the icy supremacy of *2001: A Space Odyssey* to the baroque horror of *The Shining*. The book's beautiful design and dynamic arrangement of photographic stills offer a frame-by-frame understanding of how Kubrick constructed a film. What emerges is a deeply human study of one remarkable artist's nature and obsessions, and how these changed and shifted in his four decades as a filmmaker. Black-and-white illustrations throughout, 8 pages of color.
