## Warrior's Apprentice Alysha Ellis

Combat-hardened Dvallin warrior Tybor has no room in his life for softness or sentiment. His job is to train the soldiers who stand between his people and destruction. He instantly despises Huon, his newest recruit, dismissing him as weak. But Huon is determined to prove his worth. He accepts all the challenges Tybor throws at him, passing every test, until Tybor finds himself waging his own battle against his growing attraction to his apprentice warrior. When Tybor discovers Huon is to be sent on a suicide mission to the human world, to infiltrate and destroy enemy headquarters by seducing Judie, the enemy's weapons expert, he cannot let him go alone. Their ménage-a-trois seduction works as planned but Tybor is threatened by the emotions the passionate relationship triggers. He tries to deny the feelings Judie and Huon arouse in him while they flee their pursuers in a deadly race for survival. To have a hope for the future, the master must bury his old prejudices and let himself learn from the warrior's apprentice.
