Emma has just finished high school and fears being stuck on her family farm, living an ordinary life. She wants a life of passion, adventure and maybe even a little danger. But most of all, she wants a chance to go to college and become an artist.

Dylan is willing to give her everything she wants and more, including paying her tuition, but what he wants in return is her complete and utter submission.

A country girl finds herself thrust into a world of wealth, power and lust, where innocence has no place. And she must learn to navigate it all to get the life she wants.

This is a sexy short story with adult situations, intense BDSM scenes and the first step on a journey into total depravity. Each story is a stand-alone episode and there are no cliffhangers.
