Dictionary of Americanisms

John Russel Barlett

Dictionary of Americanisms John Russel Barlett

A rediscovered classic of American slang—now with a Foreword by bestselling language maven Richard Lederer, author of *Anguished English* and *The Miracle of Language*

From abisselfa to yourn, John Russell Bartlett's groundbreaking Dictionary of Americanisms celebrated the language of a budding nation, whose rebellious declaration of independence was most evident in its own evolving colloquialisms. Originally published in 1848, the Dictionary of Americanisms was the first lexicon to portray the entire tapestry of uniquely American expressions in one volume, from the New England coast to the Far West and everything in between. The result is a window into everyday life and culture in a rapidly growing United States, with entries representing every region, linguistic heritage, and field of interest:

- New England: funkify, plaguy sight, kedge
- The South: marooning, catawamptiously chawed up
- New York: clockmutch, rullichies, soap-lock
- The West: scrouger, prairie bitters, I dad!
- Spanish: sangaree, chaparral, vamos
- Native American languages: netop, sagamore, supawn
- Politics: slang-whanging, Dough-Faces, to row up Salt river
- Business: wild cat bank, corner, Peter Funk

Filled with amusing anecdotes, editorial asides, and some surprisingly modern slang, this facsimile of the book's first edition is a great rediscovery for a new generation of readers and a fascinating snapshot of life in the early decades of the United States of America.

From reader reviews:

Bobby Morrison:

As people who live in the actual modest era should be upgrade about what going on or information even knowledge to make all of them keep up with the era which is always change and move forward. Some of you maybe can update themselves by looking at books. It is a good choice to suit your needs but the problems coming to you is you don't know what one you should start with. This Dictionary of Americanisms is our recommendation so you keep up with the world. Why, since this book serves what you want and wish in this era.

Chester Walters:

Reading a publication can be one of a lot of pastime that everyone in the world likes. Do you like reading book consequently. There are a lot of reasons why people fantastic. First reading a book will give you a lot of new info. When you read a guide you will get new information simply because book is one of various ways to share the information or perhaps their idea. Second, examining a book will make you more imaginative. When you examining a book especially hype book the author will bring one to imagine the story how the character types do it anything. Third, it is possible to share your knowledge to others. When you read this Dictionary of Americanisms, you may tells your family, friends and soon about yours book. Your knowledge can inspire average, make them reading a e-book.

Michele Stein:

The book Dictionary of Americanisms has a lot associated with on it. So when you read this book you can get a lot of help. The book was compiled by the very famous author. The writer makes some research just before write this book. This particular book very easy to read you will get the point easily after reading this article book.

Harold Walsh:

As a university student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Dictionary of Americanisms can make you feel more interested to read.
