A tongue-in-cheek look at the complicated love-hate relationship between Red Sox and Yankees fans, how and why it developed, what accounts for the animosity and the grudging respect, and why it and continues to dominate the baseball landscape, this book provides the only well-constructed tutorial on how both tribes can peaceably coexist. With only around 200 miles of terra firma dividing the two capitals of the "Empire" and the "Nation" Wasif attempts to bring peace to the Northeast through understanding. The humorous book also has key terms, charts, testimonials, quizzes, and even drawings that will save fans from emotional distress and time-consuming arguments.
