## **The Kreutzer Sonata** Leon Tolstoy

In 1889 Tolstoy published The Kreutzer Sonata, a novella, named after Beethoven's Kreutzer Sonata. The main character, Pozdnyshev, —a quirky character with definite sexual views— in a train ride, gives a personal account of the motives that led him to killing his wife. While many may see strong “feminist” arguments in the novella, others will find contradictions; or, a form of “womanist,” views in which women is attributed to hold power over men.
