The Last Human (Vampires Rule # 1) Rocky Grede

In a future ravaged world, where mankind have all but erased themselves from existence, three Vampire Cities exist across the desolate ruins of a once thriving earth.

Humans are believed to be extinct, and Jake is widely rumoured to be the last.

When he was five years old, Jake's parents were brutally murdered by a horde of savage Vampires.

Lexus, a Vampire leader, intervened and rescued Jake. To secure Jake's safety and future, Lexus adopted Jake as his son.

Fast forward ten years, and Jake now lives in the Vampire City Artico. He struggles to fit in and faces constant intimidation from various personalities, who see and regard him as nothing more than a mere disposable human.

After a close brush with death, Jake finds Lexus has left on a mysterious errand, leaving Gregory, one of his inner circle council members, in his place to run the city.

A new Vampire arrives at the school Jake attends, and a outside threat presents itself soon after, placing Jake in vital danger.
