**ACLS Review Made Incredibly Easy!** is an excellent quick-review study guide for the American Heart Association's Advanced Cardiac Life Support training course and examination. The book provides detailed and thoroughly illustrated information on all the fundamentals of ACLS, including airway management, arrhythmia recognition and treatment, cardiovascular pharmacology, defibrillation procedures, I.V. techniques, special resuscitation situations, and more. In addition, real-life case scenarios are included in a Megacode review.

The book is written in an easy-to-use bulleted format with illustrations, algorithms, and graphics to clarify ACLS guidelines. Quick quizzes and a comprehensive test will help students assess their knowledge.
