A service to God, Pastors and Ministry is the heart of Servant-hood Many books have been written on leadership, but few books have been writing on servant hood. You will be very surprise to know the number of people trying so hard to get into leadership as compare to the ones, desiring to be servant in ministry. This book is written to highlights the importance of servant hood in ministry and also serves as a fence builder for pastors who are seeking for members (SPIRITUAL SONS and DAUGHTERS) with the right and godly characters, attribute, spirit and the sacrifices to stand with them. This book shed light on • how to develop the right Spirit and the Sacrifices of a Servant hood to ensure that, the vision given to leaders (Pastor, Prophet, Apostle, Evangelist and Teacher) by God is fulfilled through your encouragement, prayers, loyalty and faithfully standing with them. • The responsibility of every church worker/ servant to the LEADER. • The results and rewards of faithful servants in the vain yard of God (Ministry). Ministry is not limited to the pulpit. Ministry goes beyond preaching behind the pulpit, laying of hands, and singing. Hence, this book is written to equip every church member to serve with a servant hood spirit in one capacity or the other, using their various gifts and talents to contribute to the growth of the church. It is a great delight to read on.
