## **Rape: Weapon of War and Genocide** Carol Rittner

Here is a volume that cries out to be read by everyone. It is filled with "texts of terror" that must be heard if the human community is truly to respond "Never again!" --Margaret A. Farley, Gilbert L. Stark Professor Emerita of Christian Ethics, Yale University Divinity School . . . One of the most nuanced, illuminating, and grimly engaging volumes on rape and mass violence yet published. -- Adam Jones, Executive Director, Gendercide Watch, Author, *Genocide: A Comprehensive Introduction* Carol Rittner and John K. Roth have brought together a range of very powerful contributions on rape in war and genocide . . . Each chapter deals very personally with the agony of rape and the challenges it poses to male behavior, international law, and political action. -- Hugo Slim, Senior Research Fellow, Institute of Ethics, Law, and Armed Conflict, University of Oxford, Author, *Killing Civilians: Method, Madness and Morality in War* Resist the urge to put this book down. It . . . calls us to listen to the living and the dead, to their words and their silence. -- Doris L. Bergen, Chancellor Rose and Ray Wolfe Professor of Holocaust Studies, University of Toronto, Author, *War and Genocide: A Concise History of the Holocaust*
