Thank you for your interest in The Magickal Rites of Prosperity. Let's face it, whether we like money or not, in this world, we need it. Money makes the world go-round. This has been the case since the dawn of humanity. Although in the most ancient of days money was not used, but other goods were. Grain, livestock and goods of all types were used to obtain other goods. It was a bartering system as it were. Today we use money as a means of obtaining goods, but in all actuality, it is still bartering, it is just that we have added an extra element to it. Money now allows us to exchange goods. It gives us the right to. So in this sense money is the gatekeeper between one good and the other. I am writing this book in response to several requests. I have had several people come to me asking me for a book just on money magick. In most, if not all my books I supply magickal rites for money, in this book I will bring the best of them together in one volume. And I will include a new one from an upcoming series. Money is a big issue for most people and so this book will come in very helpful to many. Unfortunately, Money has such a bad reputation and that is part of why so many are in need of it, most of this reputation is based on a few misconceptions. In the next chapter, I am hoping we can banish some of the misconceptions of money. After that, we will briefly discuss how hidden thoughts about money sabotage you and finally, we will get right into the rituals and what is needed for them. Let us proceed
