"VERDICT: Nearly anyone, even those with just a small interest in China, will find much to learn and enjoy here." —*Library Journal*

To understand China, we need to step into the palace of her culture and explore her rich history. With this in mind, a group of scholars from China and America have put this book together as a primer on all things China, from art and science to religion and society. In this book they offer a panoramic view of Chinese culture, using only the most representative material to introduce the West to the most typical aspects of Chinese civilization and life.
