## **These interracial couples will make you wish you were still young and experimenting sexually!**

**Black Bimbo Drug Trial:** This black woman's future all depends on one night. Her white husband is going to take control.

She's a chemist, and she's working on a particularly interesting project for the government -- all top secret, of course. The goal? Mind control. She wasn't the first person chosen for the job, but the last one ended up violently attacked in a trial gone wrong.

If she manages to bring in a working drug, it could mean she is set for life. The threat of making a deadly mistake, however, pushes the deadline back again and again.

One night, her husband tells her that he's solved it. He's read her files, and he has the answer to the mind control drug's flaw. All he wants from her in exchange for the solution is one thing: He gets to be the first to test it, on her...

Will she let her white husband control her mind?

**Breeding the Black Witch:** How far will this beautiful African witch go to break her curse?

A beautiful black witch must find her soul mate so that she can finally break the curse put on her. In order to be filled and bred, she's casting spells on any man that comes into her shop. These love spells are potent, and her "victims" are always seduced.

When Jack wanders into her store of magic, she knows he will be the first man she will try to seduce. He's handsome, and his body is muscular and masculine. A little bit of a love potion slipped into his drink has him wrapped around her finger in no time.

Will he be the one to impregnate her? Buy this story now to find out!

**Busty Black Cougar:** When David offered to help his friend move, he didn't expect to get tangled up in family drama.

Imani is like so many black mothers -- controlling, demanding, and micromanaging. She may have more ground to stand on, though: she's the dean of admissions for Duke university, after all!

Her attitude changes, though, after taking some experimental anxiety medication. Suddenly, she's taking an interest in David's sports career, watching porn, and even slipping into bed with him!

**Dark Obsession:** You won't believe how sexy a dangerous billionaire can be.

Could a mysterious billionaire be the answer to her problems... or cause more of them?

Octavia attracts a certain kind of man. Specifically, white scumbag jerks that cheated on their wives or can barely hold down a job.

That is, until a man saves her not only from a bad date... he saves her life! He's sexy, smart, and makes her feel beautiful. But is he worth the danger?

She's threatened with a gun and left scared for her life. Will Bradley be able to keep her safe and win her over?

**Black Nanny's Surprise:** Babysitting seemed like an easy way to pay the bills, but it may end up being so much more!

Chloe is a black college student studying child development and quickly running out of money. With only \$100 left in her account, she makes a desperate bid for money: babysitting.

After a chance meeting with a rich white man and his daughter, she's hired immediately, and things seem to go well.

Both Jack and his daughter like Chloe a lot. When Jack comes home and finds the young woman in a compromising position, he realizes he might even like her too much!

If you like interracial, hot nannies, and sexy billionaires you will love this story!
