This amazingly creative book provides a hands-on approach that lets children "make, wear, and share" their favorite Bible tales. Combining children's universal love for stories, hats, and puppets, the author has designed lesson plans around scripture, together with easy craft activities for creating hats that illustrate the scene. Each hat is not only wearable, it also "comes apart" so the pieces can be used as puppets and background setting to dramatize the story as it's being told. This is absolutely unique -- and total fun!
