Massacre of the Dreamers: Essays on Xicanisma. 20th Anniversary Updated Edition. Ana Castillo

Gustavus Myers Outstanding Book Award from the Gustavus Myers Center for the Study of Bigotry and Human Rights

This new edition of an immensely influential book gives voice to Mexic Amerindian women silenced for hundreds of years by the dual censorship of being female and indigenous. Castillo replaced the term "Chicana feminism" with "Xicanisma" to include mestiza women on both sides of the border. In history, myth, interviews, and ethnography Castillo revisits her reflections on Chicana activism, spiritual practices, sexual attitudes, artistic ideology, labor struggles, and education-related battles. Her book remains a compelling document, enhanced here with a new afterword that reexamines the significance of Our Lady of Guadalupe.
