Need a professional business plan to open your own Medical Marijuana Dispensary? This template guide has been designed to instruct and assist you in creating a professional business plan ready for lenders, government grant agencies, angel investors, and local banks by following the government approved outline for submitting a business plan.

This guide breaks the business plan down into THREE steps.

- 1) A complete written description of what needs to be in a business plan section by section. It's easy to read and tells you "what" needs to go where.
- 2) A completed sample Marijuana Dispensary business plan that has already been used AND ACHIEVED FUNDING!
- 3) a complete "fill in the blank" form for you to use and edit in your personal business information saving you time and money and having you ready for lenders in no time at all!

All three sections are listed so you can complete a professional plan without the headache of researching information, guessing on where to put the crucial information for this type of business, or figuring out what the lenders submitting requirements are!

Everything from start to finish is covered in this guide giving you the best opportunity to achieve funding in as little amount of time as possible!!
