Ideal for courses on natural hazards or on earthquakes and volcanoes, *Natural Hazards* uses real-life examples of hazards and disasters to explore how and why they happen—and what we can do to limit their effects. The **Third Edition** of this text provides fully up-to-date coverage of recent disasters, and significantly revises the visual programk throughout. Included with every copy of this text is access to Hazard City, an online media resource which gives instructors meaningful, easy-to-assign, and easy-to-grade assignments where students investigate virtual disasters in the fictional town of Hazard City.

This edition features the exact same content as the traditional text in a convenient, three-hole- punched, loose-leaf version. Books à la Carte also offer a great value—this format costs 35% less than a new textbook.
