Rumpole and the Reign of Terror John Mortimer

John Mortimer's bestselling barrister is back, in his most timely case yet

Just in case *Rumpole and the Penge Bungalow Murders* gave fans the impression that the Great Defender was resting on his laurels, his new case sends him at full sail into our panicky new world. Rumpole is asked to defend a Pakistani doctor who has been imprisoned without charge or trial on suspicion of aiding Al Qaeda. Meanwhile, on the home front, She Who Must Be Obeyed is threatening to share her intimate view of her husband in a tell-all memoir. The result is Rumpole at his most ironic and indomitable, and John Mortimer at his most entertaining.
