(NY.Post.book.reviews)

"From bestselling author Ben Hammott this action packed adventure takes you into the Amazon Jungle to follow in the footsteps of lost Victorian Explorer, Colonel Percy Fawcett. What we have here, in part, is an excellent dramatization of what may have happened to Fawcett and what he may have discovered in the unexplored regions of the Amazon. The well written plot is seldom predictable and some of the characters you think are safe, and will be alive by the time the book reaches its climax, are not. Sights and sounds of the Amazon are described well and help to set the atmospheric tone the explorers travel through. A thoroughly enjoyable adventure."
