*I just got my dream job in a great school district because this book made me a more desirable candidate.*

This should be required reading for all Education Majors. I spent one year looking for a teaching job with no luck. I bought this book, and it taught me what I was doing wrong in interviews and on applications. I now have a full time teaching job that I love!

Excellent tips! I have interviewed multiple times; then I read the book and landed my first teaching job!

As the title promises, I aced all of my interviews and had multiple job offers.

I had three interviews. Offered two jobs and I got to choose which I wanted most!

Every question I was asked in the interview was in this book!
