The souls of our loved ones take a keen interest in our lives here on earth. Angels Watching Over Me offers a glimpse into the magical stories of communication between our world and the next. These messages will bring comfort and healing to anyone who has lost someone close to them, whether recently or long ago. In this book, Jacky Newcomb illustrates the power of real-life spontaneous afterlife experiences and how they show that life goes on after we leave the physical realm. These stories have much in common with the classic angel experience, and show that the souls of your loved ones watch over you as you live your life.
