If there was anything in the world better than playing baseball, Marcenia Lyle didn't know what it was. As a young girl in the 1930s, she chased down fly balls and stole bases, and dreamed of one day playing professional ball.

With spirit, spunk, and a great passion for the sport, Marcenia struggled to overcome the objections of family, friends, and coaches, who felt a girl had no place in the field. When she finally won a position in a baseball summer camp sponsored by the St. Louis Cardinals, Marcenia was on her way to catching her dream.

Full of warmth and youthful energy, *Catching the Moon* is the story of the girl who grew up to become the first woman to play for an all-male professional baseball team. Readers everywhere will be inspired by her courage to dream and determination to succeed.
