Meet a not-so-nice snake, a jittery gopher, and a duck who doesn't know what he's in for. But wait: The duck's not the only one who's about to be surprised!

This silly book is told with only three words but an abundance of visual expression and panache. It's a hilarious take on the adage "What goes around comes around," and a refreshing, kid-friendly story of brains over brawn.
