## **The Tudors (A Royal History of England)** Neville Williams

This volume provides the essential history of the Tudors up to the death of Elizabeth I, who kept power with a rare skill and subtlety, and whose death led to the union of the crowns of England and Scotland and the end of the Tudor line.

### **About the series A Royal History of England:**

From the beginning of monarchical power in Norman times to the present queen, the British royal family has experienced many scandals, triumphs, and changes in public image, but few of their reigns can be described as uneventful. With contributions by specialist authors and contemporary illustrations of royal heraldry and coats of arms, Antonia Fraser has edited a definitive and entertaining history of one of the most powerful monarchies in the world.
